REPORT

Details of Activity:

Name of the Activity	Alumni Talk on Career Path, Internships, Skills and Placements		
Date & Time	01 August 2026,	Department Committee	Department of Artificial Intelligence and Machine Learning (AIML)
Venue	A-201	No. of Participants	65
Nature of Activity	Alumni Expert Talk / Career Guidance Session	Mode of Activity	Offline
Name of Activity In-charge	Dr. Juily Tarade	Name of Activity Coordinator	Dr. Juily Tarade
Name and Affiliation of Resource person	Mr. Aditya Khot & Mr. Suraj Chavhan, IT Analysts, Leanqubit – Alumni, TE AIML		

Activity Information:

Objectives	• To provide students with practical guidance about their career journey. • To create awareness about internships and practical experience. • To guide students on technical and soft skills required for the IT industry. • To help students prepare for interviews and placements. • To emphasize projects, resume/profile building and continuous learning.
Target Audience	TE AIML Students
Methodology	The session was conducted as an interactive alumni talk. The alumni shared their real-life experiences and provided guidance on internships, industry-relevant technical and soft skills, projects, resume/profile building, technical and HR interview preparation, placements and the transition from college to the IT industry.
Outcome	• Students understood the importance of early career preparation. • Gained clearer awareness about internships, skill development and company expectations during interviews. • Understood the value of projects, communication, problem-solving and teamwork skills. • Became more aware of career opportunities, placements and the transition to professional life. • Were encouraged to improve their skills and profiles from an early stage.

SWOT Analysis of the Event:

Strength	Weakness	Opportunity	Threats
Experienced alumni speakers; practical industry insights; highly relevant career guidance.	Limited time for detailed individual discussion and personalized guidance.	Future alumni mentoring, internships, workshops, placement guidance and industry interaction.	Students may delay skill development or rely only on the college syllabus without continued effort.
