Description:

A Parents-Teacher Interaction which is also known as PTI is conducted each semester to have healthy conversation between Faculties & Students and their Parents.

This semester (Even Semester AY 2024-25) the meeting was held on 29th March 2025 at 10 A.M.

Agenda of the meeting:

1. To make parents aware about the Vision & Mission of the Institute and Department.
2. To discuss about the academic performance of students.
3. To discuss about the career/placement related opportunities with parents.
4. To make parents aware about Management Information System (MIS) of the college.

The meeting started by Dr. Nilesh deotale, HOD Computer dept., SJCEM, Palghar . He guided parents about the Vision & Mission of the Institute and overall growth of the students. He greeted parents, students and faculties and made them aware about the agenda of the meeting.

He extended further focus on Vision & mission of the Institute and Department. Then he guided to parents and students about the academics (final year project guideline, Attendance criteria and Industrial Internships etc.) and individual growth of student's.

we threw focus on academic performance of students and how it can be improved even further.

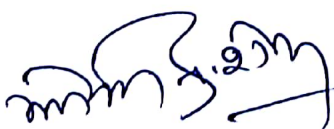

Meeting ended with the healthy conversation between Faculties and parents and suggestions from parents regarding academics.

PTI Meeting Outcomes:

- Parents became aware about the academic performance of students
- Parents became aware about the MIS system used in College to track academic record of their wards
- Parents were informed about the opportunities the students have in college apart from studies and regular academics.
