

St. John College of Engineering and Management

Autonomous Institute

(A Christian Religious Minority Institution)

Approved by AICTE and DTE, Affiliated to University of Mumbai / MSBTE

DTE Code : 3218 AICTE Permanent ID : 1-4790201

NAAC Accredited with Grade 'A+', Three Programs NBA Accredited

AF 5

REPORT

Details of Activity:

Name of the Activity	AI and Career Growth: Insights – Alumni Talk		
Date & Time	18 June 2026 03:00 pm - 04:00 pm	Department / Committee	Computer Engineering
Venue	CR - 01	No. of Participants	68
Nature of Activity	Alumni talk	Mode of Activity	Offline
Name of Activity In-charge	Oniza Shaikh	Name of Activity Coordinator	Oniza Shaikh
Name and Affiliation of Resource person	Mr. Dharam Veer Yadav(Deloitte pvt. ltd)		

Activity Information:

Objectives	- To introduce students to various career opportunities in content development-based jobs. - To help students understand industry expectations, required skills, and career growth paths. - To bridge the gap between academic learning and real-world content development roles. - To motivate students through alumni experiences and success stories.
Target Audience	BE Computer Engineering Students
Methodology	- Interactive alumni lecture - Discussion on current industry trends, technologies, and programming languages commonly used - Real-life examples and professional experiences shared by the alumni

St. John College of Engineering and Management

Autonomous Institute

NAAC Accredited with Grade 'A+', Three Programs NBA Accredited

	• Question-and-answer session for student interaction
Outcomes	• Students gained awareness about content development as a viable career option. • Improved understanding of skills required such as writing, research, creativity, and technical knowledge. • Students received guidance on technical skill development and placement preparation. • Enhanced industry exposure through alumni interaction.

SWOT Analysis of the Event:

Strength	Weakness	Opportunity	Threats
Experienced alumni shared real industrial use cases	Limited duration for deep technical discussion	Encouraged students to participate in coding contests and technical projects	Rapidly evolving technologies require continuous learning
High student interest due to growing demand for AI professionals	Diverse student backgrounds may affect understanding	Enhanced awareness of emerging job roles and industry expectations	Intense competition in AI-related job markets
