To,
The Head of Department
Computer Engineering Department

Subject: Permission for Conducting Alumni Talk on Skill Building.

Respected Sir/Madam,

I would like to request your permission to conduct an Alumni Talk on Skill Building for the students of the Computer Engineering Department. The session aims to provide students with valuable insights into the importance of technical and professional skill development, industry expectations, career readiness, placement preparation, internships, certifications, and continuous learning.

The details of the activity are as follows:

Date: 01 August 2026

Time: 11:00 AM to 12:00 PM

Venue: CR - 03

Resource Person: Mr. Rushal Patil

The session will help students understand the essential skills required in today's IT industry, develop a growth mindset, and prepare effectively for future employment opportunities through the guidance and experiences shared by our distinguished alumnus.

I kindly request you to grant permission to organize this session.

Thank you.

Yours sincerely,

Mrs. Oniza Shaikh

Department of Computer Engineering

NOTICE

Subject: Alumni Talk on Skill Building

All students of the Department of Computer Engineering are hereby informed that an Alumni Talk on Skill Building has been organized to create awareness about the importance of technical and professional skills required for successful careers in the IT industry.

The session will be delivered by Mr. Rushal Patil, who will share valuable insights on industry expectations, technical and soft skills, career planning, placement preparation, internships, certifications, and professional growth.

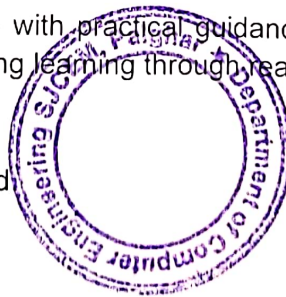

Topic: Alumni Talk on Skill Building

- Resource Person: Mr. Rushal Patil
- Date: 01 August 2026
- Time: 11:00 AM to 12:00 PM
- Venue: CR-03

The session will provide students with practical guidance on skill enhancement, career development, workplace expectations, and lifelong learning through real-world experiences shared by the alumnus.

Attendance is highly recommended.

Outcomes	• Students understood the importance of technical and soft skills for employability. • Participants learned about industry expectations and current recruitment trends. • Students received guidance on resume building, communication skills, internships, and certifications. • The alumni interaction inspired students to focus on continuous learning and career planning. • Students gained practical insights into workplace culture and professional development.
----------	---

SWOT Analysis of the Event:

Strength	Weakness	Opportunity	Threats
Alumni shared practical industry experiences and career guidance. High student engagement and interactive discussions.	Limited duration for detailed discussions. Different skill levels among students.	Motivated students to pursue certifications, internships, and skill development programs. Increased awareness about industry expectations and placement preparation.	Rapidly changing technologies require continuous upskilling. Growing competition in the IT industry demands continuous learning and adaptability.
