To,
The Head of Department
Computer Engineering Department

Subject: Permission for Conducting Alumni Talk on Career Growth in Web Development

Respected Sir/Madam,

I would like to request your permission to conduct an **Alumni Talk** on "**Career Growth in Web Development**" for the students of the Computer Engineering Department. The session aims to provide students with insights into career opportunities in web development, emerging industry trends, required technical skills, and professional growth in the software industry.

The details of the activity are as follows:

- **Date:** 13th July 2026
- **Time:** 02:00 PM to 03:00 PM
- **Venue:** CR - 01
- **Resource Person:** Mr. Pravin Gond

The session will help students understand the current industry landscape, essential technologies in web development, career pathways, and the skills required to become successful web developers.

I kindly request you to grant permission to organize this session.

Thank you.

Yours sincerely,

Mrs. Oniza Shaikh

NOTICE

Subject: Alumni Talk on Career Growth in Web Development

All students of the Department of Computer Engineering are hereby informed that an **Alumni Talk** on "**Career Growth in Web Development**" has been organized.

The session will be delivered by **Mr. Pravin Gond (Alumnus)**, who will share his professional journey, industry experience, and valuable insights into career opportunities, technologies, and skill development in the field of web development.

- **Topic:** Career Growth in Web Development
- **Resource Person:** Mr. Pravin Gond
- **Date:** 13 July 2026
- **Time:** 02:00 PM – 03:00 PM
- **Venue:** CR - 01

The session will provide students with valuable guidance on web development technologies, industry expectations, placement preparation, and career opportunities in the IT sector.

Attendance is highly recommended.

REPORT

Details of Activity:

Name of the Activity	Career growth in web development – Alumni Talk		
Date & Time	13 July 2026 02:00 pm - 03:00 pm	Department / Committee	Computer Engineering
Venue	CR - 01	No. of Participants	68
Nature of Activity	Alumni talk	Mode of Activity	Offline
Name of Activity In-charge	Oniza Shaikh	Name of Activity Coordinator	Oniza Shaikh
Name and Affiliation of Resource person	Mr. Pravin Gond		

Activity Information:

Objectives	☐ To provide students with insights into career opportunities in web development. ☐ To familiarize students with current web development technologies and industry trends. ☐ To bridge the gap between academic knowledge and practical industry requirements. ☐ To motivate students through the experiences and success journey of an alumnus.
Target Audience	BE Computer Engineering Students

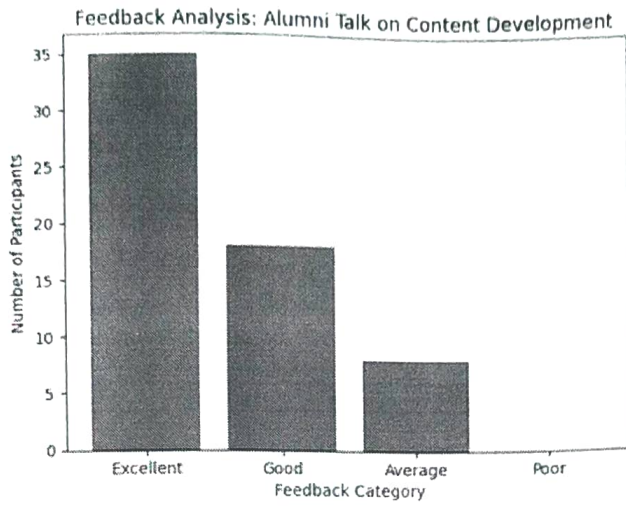

Methodology	☐ Interactive alumni lecture on career growth in web development. ☐ Discussion on modern web technologies, frameworks, and industry practices. ☐ Sharing of real-world project experiences and career guidance. ☐ Interactive question-and-answer session with students.
Outcomes	☐ Students gained awareness of career opportunities in web development. ☐ Improved understanding of the technical and professional skills expected by the IT industry. ☐ Students received valuable guidance regarding internships, placements, and continuous learning. ☐ Enhanced interaction between students and alumni, encouraging professional networking.

SWOT Analysis of the Event:

Strength	Weakness	Opportunity	Threats
Alumni shared practical industry experience and career guidance. High student engagement and interaction	Limited duration for covering advanced web development concepts. Varied programming skill levels among students	Encouraged students to build projects, portfolios, and participate in internships.	Rapidly changing web technologies require continuous learning and upskilling.
