	2. An energetic rap performance was delivered by Prem, enlivening the celebration. Interactive Games (Round 1): 1. Fish Pond: Teachers drew a single chit containing a surprise task, challenge, or question and had to complete it within a set time limit. 2. Stick Drop: Participants were challenged to drop a vertical stick cleanly into a bottle within two tries while only looking through a front-facing selfie camera. • Video Showcase: A specially curated video montage featuring memorable moments, messages, and student wishes was screened for the teachers. • Interactive Games (Round 2): 1. Mystery Box: Faculty members used touch alone through a small opening to identify a hidden object within a strict time limit without peeking. 2. Stack the Cup with Straw: Competitors had to lift, move, and stack cups solely using a straw without any hand contact in the fastest possible time. 3. Cat Whisper: Teams stood in a single file to silently pass along an assigned action one by one, with points scored on how accurately the final person matched the original prompt. • Vote of Thanks: Concluded with a formal vote of thanks acknowledging the efforts of the SPCA committee, the department, and the teachers for their active participation.
Outcomes	• Successfully celebrated Teachers' Day, providing a memorable and joyful experience for all faculty members. • Enhanced student-teacher camaraderie through team-building games and informal interactions. • Highlighted student talents in event organization, public speaking, and creative performances.

SWOT Analysis of the Event:

Strength	Weakness	Opportunity	Threats
• High enthusiasm, strong attendance, and active participation from teachers. • Well-structured flow balancing formal addresses, cultural acts, and games.	• Tight time schedule to accommodate multiple game rounds within the two-hour window. • Space limitations within a classroom setting during	• Expanding future celebrations to include larger departmental venues. • Introducing inter-departmental collaborative activities and	• Unplanned time overruns during interactive games delaying scheduled department commitments. • Audiovisual technical glitches
