

## Report on the Inauguration of the OADS Committee

**Event:** Inauguration Ceremony of the Omniscentists Association of Data Science (OADS)

**Date:** 22nd July, 2025

**Time:** 12:15 to 1:15 pm

**Venue:** St John College Of Engineering And Management

The **Inauguration Ceremony of the Omniscentists Association of Data Science (OADS)** marked a significant milestone for the Department of Computer Science and Engineering (Data Science). Held on **22nd July 2025**, the event was a vibrant and enthusiastic gathering, symbolizing a new chapter of innovation, collaboration, and student-led initiatives within the department.

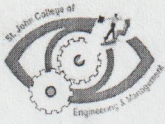

The event was graced by the presence of **Dr. Amruta Mhatre**, Head of the Department (CSE - Data Science), along with faculty members and students. The ceremony celebrated the spirit of unity and commitment among students who are passionate about data science and eager to contribute meaningfully through the OADS platform.

### **Welcome Address :**

The event commenced with a warm and cheerful welcome address delivered by **Ms. Bhavya Davane**, who set a positive tone for the day. She emphasized the growing relevance of Data Science in today's rapidly evolving technological landscape and spoke about the vast opportunities and roles awaiting data science professionals. Her words instilled enthusiasm and motivation among the attendees.

### **Introduction of OADS Committee Members :**

Following the welcome, the newly formed **OADS committee members** were formally introduced. Representing various academic years, each member shared their personal vision and collective goals for the committee. The team aims to build a vibrant and inclusive platform that encourages knowledge sharing, upskilling, and peer collaboration in the domain of Data Science.

## Keynote Address by the Head of Department

A highlight of the ceremony was the inspiring **keynote address by Dr. Amruta Mhatre**, HOD of the CSE (Data Science) department. Dr. Mhatre provided valuable insights into the current trends, emerging technologies, and dynamic roles within the field of Data Science. She urged students to stay curious, embrace challenges, and continue learning. Her words reinforced the importance of honesty, resilience, and community-driven growth in shaping successful careers.

## Vote of Thanks

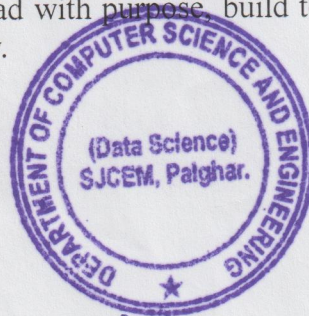

The vote of thanks was proposed by **Ms. Sharvi Raul**, member of the OADS Public Relations Team. She expressed deep gratitude to the faculty, organizing team, and students for their enthusiastic participation and support. Special thanks were extended to the event coordinators who ensured seamless execution and made the event a success.

## Closing Remarks

In the concluding segment, **Dr. Amruta Mhatre** delivered the closing remarks, congratulating the OADS committee on a successful inauguration. She pledged continued support from the department and encouraged all students to actively engage in future OADS events. She reaffirmed the department's commitment to fostering a culture of academic excellence, innovation, and inclusivity.

## Conclusion

The inauguration of the Omniscients Association of Data Science (OADS) is the beginning of a meaningful journey. With a passionate and driven committee at the helm, OADS is poised to become a hub for data science innovation and collaborative learning. The event marked not just a ceremonial launch, but a call to action — to lead with purpose, build together, and create lasting impact within the student and academic community.
