REPORT ON PRESENTANIA

Introduction:

Presentania 2026 was organized as an inter-collegiate technical event aimed at providing polytechnic students with a platform to showcase their technical knowledge, research aptitude, and competitive spirit. The event consisted of two major activities: Technical Paper Presentation and Technical Quiz Competition. The program witnessed enthusiastic participation from diploma students of various engineering disciplines and served as a platform to promote innovation, analytical thinking, and academic excellence.

Details of Activity:

Name of the Activity	PRESENTANIA 2026 (A State Level Paper Presentation and Quiz Competition)		
Date & Time	Friday 27 th Feb 2026 10:30 AM	Department / Committee	St John Polytechnic
Venue	Civil Engg. Auditorium	No. of Participants	70
Nature of Activity	Intercollegiate Competition	Mode of Activity	Offline
Name of Activity In-charge	Dr. PradeepKumar Shetty	Name of Activity Coordinator	Mr. Pranit Mehata

Activity Information:

Objectives	<ol style="list-style-type: none">1. To provide a platform for polytechnic students to present innovative technical ideas and research work.2. To enhance analytical thinking, problem-solving, and presentation skills.3. To promote teamwork, healthy competition, and knowledge sharing through quiz activities.4. To encourage students to explore emerging technologies and practical engineering applications5. To bridge the gap between theoretical knowledge and real-world technical challenges.
Target Audience	Diploma (Polytechnic) students from various engineering branches such as Mechanical, Civil, Electrical, Computer, and Electronics

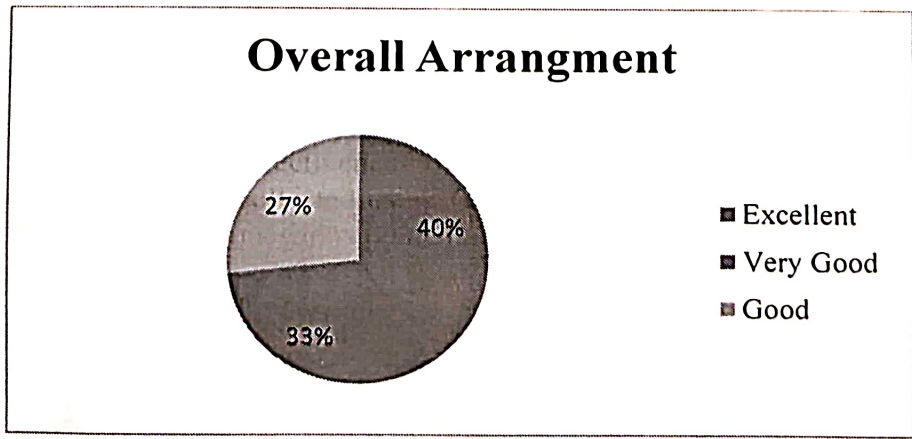

Methodology	<p>Technical Paper Presentation</p> <ol style="list-style-type: none"> 1. Invitation of abstracts from polytechnic students. 2. Screening and shortlisting of papers by a panel of faculty experts. 3. Evaluation based on originality, technical depth, clarity of explanation, and practical relevance. <p>Technical Quiz Competition</p> <ol style="list-style-type: none"> 1. Registration of teams (2–3 members per team). 2. Conduct of a written preliminary round. 3. Selection of top teams for the final buzzer round. 4. Multiple rounds including technical questions, rapid fire, visual identification, and problem-solving.
Outcomes	<ol style="list-style-type: none"> 1. Improved confidence and public speaking abilities among participants. 2. Enhanced technical knowledge and awareness of current industry trends. 3. Development of research aptitude and critical thinking skills. 4. Strengthened inter-college interaction and collaborative learning. 5. Recognition of talented students through awards and certificates.

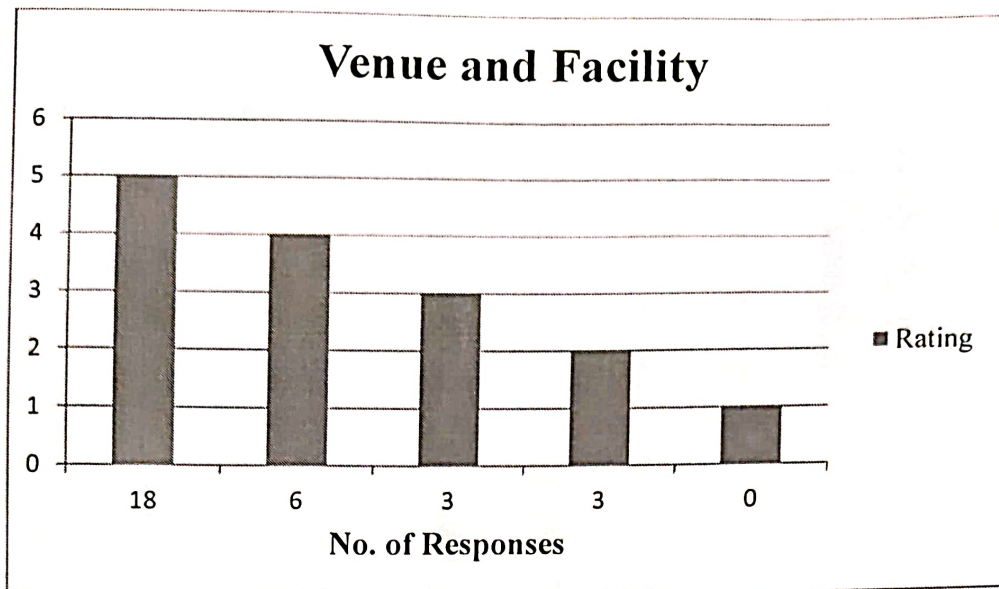

Feedback Analysis:

After the successful completion of the event, a feedback form was circulated among participants to evaluate the effectiveness of the event and gather suggestions for future improvement. Feedback was collected using **Google Forms** from participants who attended the event. The form included questions related to:

- Overall organization of the event
- Venue and facilities
- Coordination by the organizing team
- Time management
- Suggestions for improvement

Total Responses Received: **30 Participants**
