

MEMORANDUM OF UNDERSTANDING

Between

MILLERSVILLE UNIVERSITY OF PENNSYLVANIA
Millersville, PA, USA
and
ST. JOHN TECHNICAL AND EDUCATIONAL CAMPUS
Palghar, Maharashtra, India

This Memorandum of Understanding (MOU) is between Millersville University of Pennsylvania, hereafter referred to as MU, and the St. John Technical and Educational Campus, hereafter referred to as SJTEC.

The following institutions are included within the St John Technical and Educational Campus

1. St. John College of Engineering and Management
2. St. John Institute of Pharmacy and Research
3. St. John College of Humanities and Science
4. St. John Junior College
5. St. John International School
6. Aldel High School

The purpose of this agreement is to further mutual understanding and to enhance the internationalization objectives between the institutions. By this MOU, SJTEC, represented by its Trustee – Mr. Aldridge Dominic D'Souza, and MU, represented by its University President, Dr. Daniela A. Wubah, have agreed to the following terms:

1. That this MOU is intended to facilitate all cooperative initiatives between the two institutions in the areas of instruction, research, cooperative projects, and staff, faculty, and student mobility.
2. That a variety of cooperative approaches may be carried out through development of such activities or programs as:
 - a. Mobility of undergraduate, graduate, non-degree students and alumni.
 - b. Mobility of faculty, staff, or research personnel.
 - c. Exchange of scholarly and pedagogical materials.
 - d. Development of dual-degree, transfer-degree, or joint-degree programs.
 - e. Development of academic research, workshops, or other joint projects.

Other cooperative efforts may be set forth in separately negotiated amendments or agreements.

3. That the parties recognize that implementation of any agreement will depend on the interests and expertise of each party and upon the availability of financial resources.

4. That any financial and funding considerations shall become the specific subject of discussion and agreement within the framework of a separate amendment or agreement. No financial commitment whatsoever on either signatory to this document is intended or implied.
5. That the subjects of mutual activities and terms of implementation of academic research results, as well as academic visits and exchange organization and other forms of international cooperation shall be specified/stipulated individually in each specific case.
6. That this MOU will be in effect for three (3) years from the date of the last signature. The initial term of this MOU shall be one year, and it shall be automatically renewed in one (1) year increments in the absence of a written ninety (90)-day advance notice of discontinuance by either party for maximum total term of three (3) years. Further, this MOU may be terminated by either party at the close of any given semester. It is agreed that such action will be taken only after mutual consultation of the parties in order to minimize potential inconvenience to the other party.
7. That this MOU is subject to revision or modification only by mutual written agreement of both parties.
8. That this MOU is not a contract and is not intended to be a legally binding document. This MOU is not enforceable in any forum, domestic or international. Rather, it is meant to describe the nature and cooperative intention of the two institutions involved, and to suggest guidelines for cooperation. Nothing therefore shall diminish the full autonomy of either party and no constraints may be imposed upon either party.
