Workshop on How to Write and Publish the Research Paper

Date: 22th March 2024

Institute Innovation Council pleased to announce a workshop on "How to Write and Publish a Research Paper" tailored specifically for BE Students. This workshop aims to provide you with essential skills and insights into the process of crafting and publishing research papers, a crucial aspect of academic and professional advancement.

Details of the workshop are as follows:

Date: 26th March 2024

Time: 1:30pm onwards

Venue: Classroom No. B09

Facilitator: Mr. Kiran Beldar

Workshop Highlights:

- Understanding the structure and components of a research paper.
- Tips for effective literature review and citation using Mendeley Software.
- Techniques for data collection, analysis, and interpretation.
- Guidance on selecting appropriate journals and preparing manuscripts.
- Insights into the peer review process.
- Strategies for enhancing the visibility and impact of your research.
