(Approved by AICTE, Recognized by DTE and

Affiliated to Mumbai University)

NAAC Accreditation with A Grade

MECHATRON 6.0

(Departmental Newsletter)

Department of Mechanical Engineering

(June-2024)

Chairman's message

Mr. Albert W. D'Souza

I am happy to see the first edition of newsletter/magazine of the Mechanical Engineering department “**MECHATRON 6.0**” December 2023 of St. John College of Engineering and Management, Palghar.

The newsletter/magazine is a communication medium for all students, staff, parents and friends to know the recent activities and developments that are taking place at the departmental level.

I congratulate the HOD, staff, students and the editorial team for coming up with this new issue of newsletter/magazine for the department.

At St. John, we remain committed to give very best to the students under our assistance. I want to extend my heartfelt gratitude to all the parents, students, stakeholders who have put their trust in us and been a part of this wonderful journey of St. John Technical Campus.

Let's come together to work with vision of Trust “Excellence in Serving to Educate and Educating to Serve”.

Principal's Message

Dr. G. V. Mulgund

I am very pleased to see the first edition of newsletter/magazine of Mechanical Engineering department **“MECHATRON 6.0”** December 2023.

The newsletter contains all the information related to student activities, achievements, faculty achievements, workshops and other activities conducted at the departmental level.

Indeed it is a canvass that has taken its forum through the contribution of all the concerned in the department.

I would like to congratulate the Head of Department as well as staff and students.

I wish many more activities, academic pursuits, and achievements coming across our path as we journey together to conquer the milestone with St. John technical Campus.

HOD Message

Dr. Kishor Rambhad

(Ph.D Mechanical Engineering)

Associate Professor & Head

The department has a team of highly experienced and motivated faculty members who are in process of tuning the young minds to make them globally competitive. The strength of the department is highly motivated students who understand the dynamics of the industry and upgrade their skills accordingly. Depending upon the interest of the student, he/she may choose to go for higher studies or if employed can choose to do research, development, design, production, application, testing or management in the Information Technology industry.

In our department we not only give emphasis on study but also apply our knowledge in understanding the real life hands on experience by industry personnel because almost more than 30000 MSME companies are located in and around Palghar in the radius of 40km. We are encouraged to see many industries coming back to our department, which reinforces our belief in the effectiveness of our curriculum and its suitability to meet the dynamic corporate world.

Through innovative teaching-learning process a teamwork approach and leadership building experience, our students gain vital communication and critical-thinking skills. Our institution provides a platform for the students to enhance their employability skills through Industry Institute Collaboration.”

With this brief introduction, I welcome you to be a part of our journey towards being a world-class centre of excellence in education, training, and research.

Editor Message

Mr. Aniket Patil

I am tremendously glad to present the first edition of newsletter/magazine “**MECHATRON 6.0**”.

A lot of effort has gone into the making of this issue. We hope you enjoy reading the magazine.

This newsletter/magazine will continue to be a vehicle for promoting fluent communication among all members of the college. We have accounted for momentous achievements, events activities of the Students and staff of Mechanical department.

Our main endeavour is to spread knowledge and excellence which our team is working and progressing to achieve the best.

I would like to sincerely thank to the editorial team for their constant contribution and support into bringing this newsletter/magazine.

I also acknowledge my sincere thanks to our Chairman, Mr. Albert W. D’Souza, Principal, Dr. G.V.Mulgund and HOD, Dr. Kishor Rambhad for their encouragement and Support to prepare the this issue of annual newsletter/magazine “**MECHATRON 6.0**”

Departmental Vision

"To be a centre of high repute providing quality education and conducive environment for research leading to innovations in the field of Mechanical engineering."

Departmental Mission

- To impart quality education to the students and enhance their skills to make them globally competitive.
- To develop linkages with research and development organisations and Industries to create state of art facilities for teaching-learning and research.
- To inculcate habit of creative design and developing innovative products.

Program Educational Objectives (PEO's)

- To demonstrate their expertise in areas of design, manufacturing and thermal engineering to solve real life problems.
- To pursue higher education, research and entrepreneurship and do it ethically.
- To engage in lifelong learning and exhibit leadership quality.

Program Outcomes (PO's)

- Engineering graduates will be able to apply the basic knowledge in mathematics, sciences and engineering fundamentals for solving problems in mechanical engineering.
- Apply knowledge, techniques and skills to design mechanical and thermal systems or processes as per requirements.
- Demonstrate the ability to design and conduct experiments and standard tests to interpret and analyse data and results.
- Identify, formulate and design complex mechanical engineering problems in their future profession.
- Select and use modern engineering software tools and equipments to analyse mechanical engineering problems.
- Appreciate social and cultural values, asses the health, safety and legal issues and practices.
- Understand the impact of professional engineering solution for sustainable development.
- Understand the professional as well as ethical responsibilities and norms of different countries.
- Function effectively within multidisciplinary team as leader or member.
- Communicate effectively within engineering community and society at large by means of report writing, presentation and documentation.
- Demonstrate knowledge and understanding of engineering and management principles for effective project management.
- Educate and clearly understand and implement the value of lifelong learning.

TEACHING STAFF

**HOD Mechanical &
Associate Professor**

Prof. Vivek Narnaware

Prof. Sangam Rane

Prof. Avinash Chavan

Prof. Chirag Kale

Prof. Kiran Beldar

Prof. Pranit Mehta

Prof. Hrishikesh Kulkarni

Prof. Uday Prajapati

Prof. Sagar Patil

Prof. Aniket Patil

STTP/Guest lecture/Workshop/Seminars/Webinar/Training organised by Faculty

S.N	Title of the Seminar/workshop/Training	Organised by	Resource Person	From -To Date	Number of Participants	Learning Outcomes
1	Awareness session on "Career opportunities in Oil Gas and Piping sector" by SIT Mumbai	Department of Mechanical Engineering	Mr. Parag Nikam	12/02/2024	TE-21, BE-46	Information about the opportunities in Oil and Gas industry
2	Conducted workshop on " CO-PO attainment"	Department of Mechanical Engineering	Ms. Aditi Raut	29/01/2024	All Faculty	Knowledge of CO-PO attainment
3	Awareness Session on PLM by CEMS	Department of Mechanical Engineering	Mr. Ramesh Yadav	04/09/2023	BE-48	Information about opportunities after PLM training

Faculty activities (Workshops, Seminars, STTP/FDP attended by faculty)

Sr. No.	Faculty Name	Name of the Workshop/ Seminar/ STTP	Date	No. Of days	Organisation
1	Dr. Kishor Rambhad	2 Days workshop on NEP 2020 sensitization : Train the Trainer	01/03/2024 to 02/03/2024	2 Days	Sonopant Dandekar Arts, V. S. Apte commerce and M. H. Mehta science college Palghar
2	Mr. Aniket Patil	Seminar on "Criticality of Learning Business/ Manufacturing Process Analysis using Modeling & Simulation for	20/01/2024	1 Day	Pillai College of Engineering (Autonomous) New Panvel

		Engineering & Management Students"			
3	Mr. Uday Prajapati	ATAL FDP on Advanced Vibration Analysis & It's Practical Application	11/12//23 to 16/12/23	6 Days	TRINITY COLLEGE OF ENGINEERING & RESEARCH PUNE
4	Mr. Sagar Patil	Mentors Training by Bureau of Indian Standards	05/12/2023 to 06/12/2023	2 Days	BIS, Andheri, Mumbai Branch
5	Mr. Uday Prajapati	International Advanced Faculty Deveopment Program on Application of Research Software for Qualitative and Quantitative Research Design	05/09/2023 to 13/09/2023	9	Eudoxia Research University, ERU-USA
6	Mr. Chirag Kale	NPTEL FDP On Solar Energy Engineering And Technology	12 Week NPTEL FDP	12	NPTEL
7	Mr. Vivek S. Narnaware	AICTE-ATAL - TLB FDP on "Data Analytics Applications using Cloud"	18-22 December 2023	5 Days	AICTE-ATAL - TLB

Course completed by faculty

Sr. No.	Faculty Name	Course	Date	No. Of days	Organisation
1	Mr. Chirag Kale	NPTEL Course on Solar Energy Engineering and Technology	12 Week NPTEL FDP	12	NPTEL
2	Mr. Aniket Patil	NPTEL Course on “Operations Research”	8 Week NPTEL FDP	8 weeks	NPTEL
3	Mr. Uday Prajapati	NPTEL COURSE on Introduction to mechanical vibration	8 Week NPTEL Course	8 Week NPTEL Course	NPTEL, IIT Roorkee
4	Mr. Vivek S. Nannaware	Applications in AI	2 /9/2023 to 2/12/ 2023	12 weeks	IIT Kharagpur

Faculty Publication (Research paper/Patent/Book/ Book Chapter/ IC/IN/NC/IC)

Sr. No	Name of Faculty	Publication Details
1	Dr. Kishor Rambhad	Research Paper- Experimental investigation of desiccant dehumidification with four different combinations of silica gel desiccant wheel on indoor air, 3.10.2023, SN Applied Science, Springer, https://link.springer.com/article/10.1007/s42452-023-05505-6 (Scopus, ESCI)
2	Dr. Kishor Rambhad	Research Paper- CFD analysis of a butterfly valve to optimise its design, https://doi.org/10.1063/5.0167691 (WoS, Scopus).29.09.2023, AIP Conf. Proc

3	Dr. Kishor Rambhad	Research Paper- Comparison of alternative fuels in single cylinder diesel engine using CFD, 29.09.2023, AIP Conf. Proc, https://doi.org/10.1063/5.0167692
4	Dr. Kishor Rambhad	Research Paper- Manufacturing of foldable bicycle with finite element analysis of push-pull clamp, 29.09.2023, AIP Conf. Proc, https://doi.org/10.1063/5.0167693
5	Dr. Kishor Rambhad	Research Paper- Optimization of fluidity and mechanical properties of the sand casting A518 alloy by using grey relational analysis method, 10, (2023),29.09.2023, AIP Conf. Proc, https://doi.org/10.1063/5.0167643
6	Dr. Kishor Rambhad	Book Chapter-Performance Investigation of Automotive Radiator Using Water-Al ₂ O ₃ and Ethylene Glycol Nanofluid Blends, Renewable Energy: Accelerating the Energy Transition. Energy Systems in Electrical Engineering. Springer, Singapore, 15.11.23, https://link.springer.com/chapter/10.1007/978-981-99-6116-0_11

Faculty interaction with outside world

Sr. No	Faculty Name	Date	Activity	Organisation
1	Dr. Kishor Rambhad	15.02.2024	Session chair-International Conference on Science Technology Engineering & Maths for Sustainable Development- ICSTEMSD-2024	Atharva College of Engineering, Malad
2	Dr. Kishor Rambhad	05.09.2023	Paper reviewed-"A perspective on high-temperature heat storage using liquid metal as heat transfer fluid" for Energy Storage	Energy Storage (Wiley, ESCI)
3	Dr. Kishor Rambhad	27.09.2023	Paper reviewed- Sustainable and Efficient Thermal Energy Storage with Lauric Acid@ Humic Acid-Formaldehyde Microcapsules and composites" for Energy Storage.	Energy Storage (Wiley, ESCI)

4	Dr. Kishor Rambhad	15.07.2023	Paper reviewed- A review on solar thermal energy storage system using phase-change materials" for Energy Storage	Energy Storage (Wiley, ESCI)
5	Dr. Kishor Rambhad	14.10.23	Paper reviewed- Question paper setter for Subject “ Energy Management” of 7th Term of Mechanical Engineering, for G H Raisonni College of Engineering, Nagpur for Winter 2023.	G H Raisonni College of Engineering, Nagpur
6	Dr. Kishor Rambhad	27.10.2023	Paper reviewed- Bio-Based Nonadecane Microcapsules: A Promising New Option for Thermal Energy Storage" for Energy Storage	Energy Storage (Wiley, ESCI)
7	Dr. Kishor Rambhad	25.11.23	Paper reviewed- Steps to smart design of thermal energy storage systems for buildings	Energy Storage (Wiley, ESCI)
8	Dr. Kishor Rambhad	27.11.23	Paper reviewed- Exergy and Entransy Analysis of Diesel Engine Fuelled with Diesel-Nano-Catalyst Blend: A Review at Current Situation, Potential and Difficulties	International Conference on “Advances in Mechanical Engineering” 2023 (ICAME-23)
9	Dr. Kishor Rambhad	03-12-2023	Paper reviewed- Parameter impact and sensitivity analysis of a pumped hydro compressed air energy storage system	Applied Thermal Engineering (Elsevier, SCI)
10	Dr. Kishor Rambhad	05.12.2023	Paper reviewed- Development of statistical model for the indoor solar cooking system	International Conference on “Advances in Mechanical Engineering” 2023 (ICAME-23)
11	Dr. Kishor Rambhad	06.12.23	Paper reviewed- Review of Borehole Thermal Energy Storage Systems in Unsaturated Soils: Materials, Mechanism, and Future Development	Energy Storage (Wiley, ESCI)

12	Dr. Kishor Rambhad	11.01.24	Paper reviewed- Nano-Lamellar H-ZSM-5 Molecular Sieves for Enhanced Indoor Air Purification: Synthesis and Adsorption Characterization	Nanotechnology Reviews (Scopus, SCIE)
13	Dr. Kishor Rambhad	29-01-2024	Paper reviewed- An experimental investigation of the influence of the humidity supply tuyere shape on the indoor temperature and humidity fields under low pressure drying conditions	Indoor and Built Environment- SAGE Publication (Scopus, SCIE)
14	Dr. Kishor Rambhad	10-02-2023	Paper reviewed- Design and Analysis of a Solar-Powered Refrigeration System with Thermal Energy Storage for Efficient Storage of Scorpion Antivenom in the Climate of Northern State, Sudan	Energy Storage (Wiley, ESCI)
15	Dr. Kishor Rambhad	10-02-2023	Paper reviewed- A MATLAB Analysis of Concentrating Type Solar Cooker with Nano-Mixed Solar Salt Phase Change Material	Energy Storage (Wiley, ESCI)
16	Dr. Kishor Rambhad	10-02-2023	Paper reviewed - Wet-combustion synthesis of new carbide slag/magnesium oxide thermochemical energy-storage materials using citric acid	Applied Thermal Engineering (Elsevier, SCI)
17	Mr Vivek S. Narnaware	December 2024	Appointed as a paper setter and submitted UoM Exam paper on "Materials and Metallurgy" III Sem R@2019 'C' Scheme	UoM Second Half Exam 2024
18	Mr Vivek S. Narnaware	December 2024	Appointed as a paper setter and submitted UoM Exam paper on "Industrial Robotics" Honors / Minor course, V Sem R@2019 'C' Scheme	UoM Second Half Exam 2024

Industry visit
